

SUBMISSIONS FOR POSTER PRESENTATIONS NOW BEING ACCEPTED!

Share Your School-wide MBI Experiences at the 2011 MBI Summer Institute

We are inviting submissions for sharing your MBI implementation experiences through a Poster Presentation during the 2011 Summer Institute. The poster presentations will be a featured part of our networking reception to be held from 4:00 to 6:00 pm on Tuesday, June 21st.

Goal:

Poster presentations provide a fun and informal opportunity to share detailed examples from schools and community agencies who share the MBI vision and mission. Poster presentations may address a wide range of topics related to PBIS.

Format:

A table will be provided for each presentation. If requested in advance, power will be available for you to run your laptop or LCD. Please plan to have at least one poster presenter available for the full two-hour session. Handouts are not required; however, they are responsibility of the poster presenter if needed. The poster session will be held in the Student Union Building (SUB) Union Market. Our hope is to keep this simple, fun, and informative while showcasing your school or organization and its accomplishments.

Submissions:

Please submit the attached application with a brief description of poster topic and content. We intend to accept as many poster presentations as space permits. Submissions received after the deadline will be reviewed for acceptance if space is available. Accepted poster presenters will be notified via email.

- **Proposal Submission Deadline: June 1, 2011**
- **Notification Date: June 13, 2011**

2011 MBI Summer Institute Poster Session Application

Please list information, as you would like it to appear in the onsite registration packet.
